Foreword

Each year Adena High School edits a book which, in years to come, should recall memories of the pleasant hours spent together and the friendships formed within her walls.

Each year we try to improve the annual and in it bring out our sincere feelings of devotion and loyalty to our school. Each page should bring happy reminiscences to the minds and hearts of all who loved old A. H. S. This has been our aim and we hope, our achievement.

DEDICATION

We, the class of Nineteen hundred twenty-nine, present this edition of "The Adenian" in dedication to our superintendent, Ray Burdett Roshon, with heartfelt appreciation for his kindly counsel and guidance.

Senior Class History

We, the class of twenty-nine, boarded our ship early in 1925 and set sail on the deep, blue sea. We sailed into the harbor of Adena on September 6. We then, thirty-six in number, marched proudly up to the High School building.

Lo! When we beheld our upper classmen, we almost vanished from sight. They called us "Freshies" and of course we thought that it must be something horrible but later learned that it meant merely "Greenies." So we patiently bore our burden. Before the close of our first year some of our group went back to sail the waters alone. The following spring we departed with bright anticipations for the coming September when we should again return to port.

A few brief months passed and we sailed into the haven of Adena. We anchored our ship and made haste to our class room. We were now Sophomores. A few more of our throng had gone out to face the world. But one whom we know as Anna Mae joined our happy throng to remain with us the rest of our career. We studied hard and when spring came we departed for the second time.

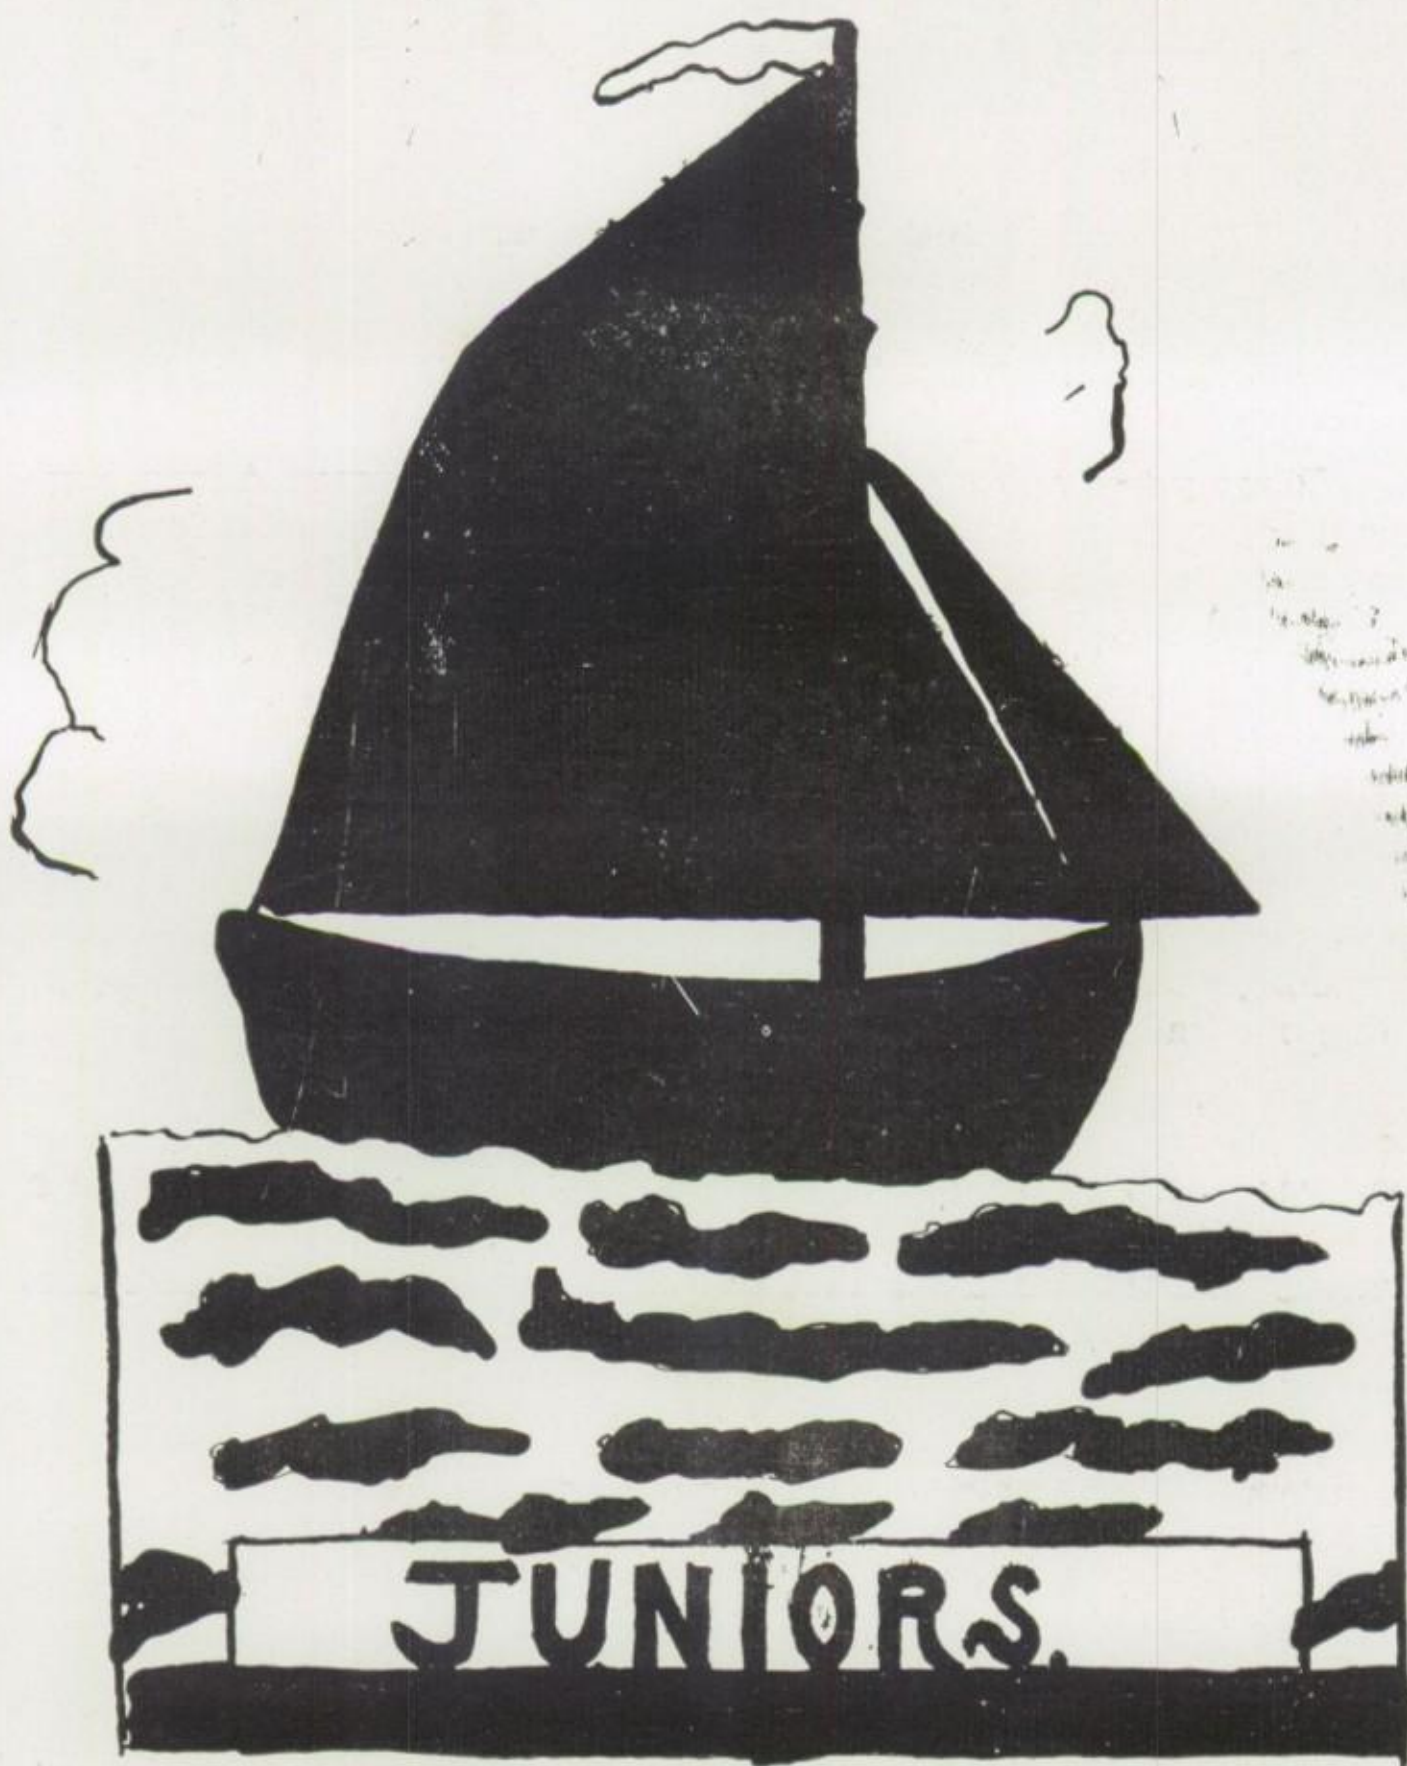

We returned the following September very proud to be called Juniors because we felt that we were upper classmen. Our number was again diminished but two joined us from other schools, Stella Swann and Genevieve Lewis by name, who have remained with us. Before the close of the year our number was very small, but we managed to cling together. We sailed out of the port in May only to return for the last time in September.

This time we considered ourselves too dignified to sail in a ship upon the sea. We therefore had a specially built airship to bring us to Adena. When we arrived at our class room we found three new members who joined us. We can better appreciate them by remembering their names as Mary Krecella, Anna Sawko and Patrick Sawko. These three new members made our enrollment come up to twenty.

We have conquered many hardships during our four years journey and are now ready to bid farewell to our classmates and Adena High School.

IRENE WORTHINGTON, Class Historian.

Junior Class History

Friends, Romans, Countrymen,
Lend me your ears,
And I will tell you a story
That covered three years.

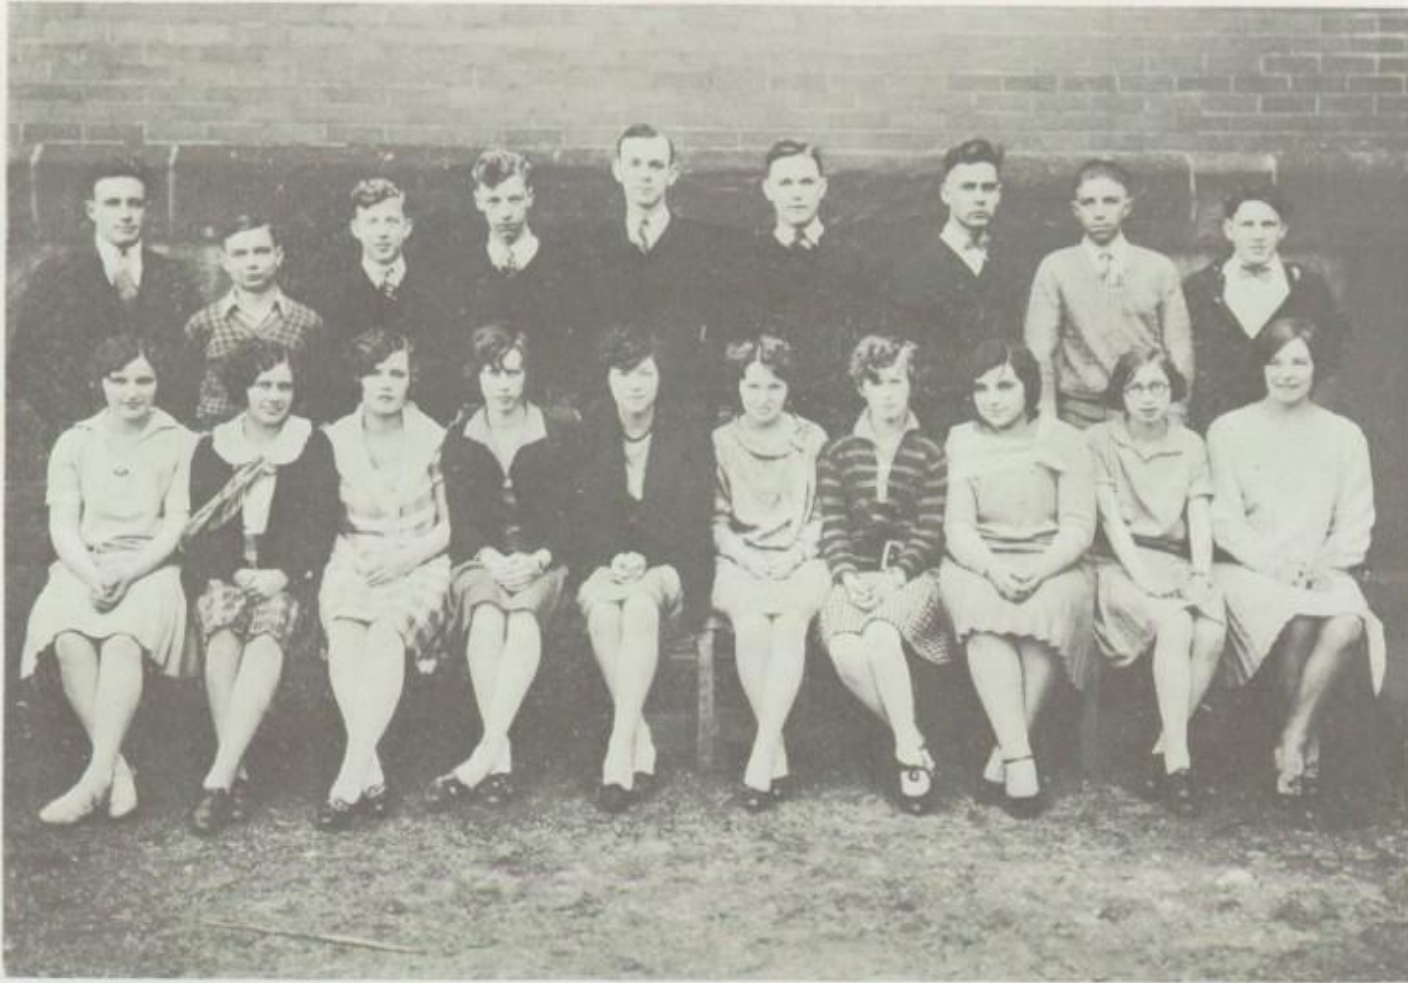

Three years ago a group of girls and boys entered Adena High School as Freshmen. That year was very successful, with a few hard tasks to be overcome. We were well represented in both basketball and football.

The following September we found that some of our companions did not return, and that there were some new ones added to our class. The Sophomore year was as successful as the preceding one had been. The tasks which were set before us were somewhat more difficult. We were sad and discouraged when we learned that Superintendent Dennis was leaving us, but before long under the supervision of Mr. Roshon everything was moving quite smoothly, and the year ended, as the preceding one had, with examinations and lots of excitement.

The fall of 1928 saw our return to dear old A. H. S. as Juniors. We felt the responsibility of our new position to be quite heavy. Our class was well represented in athletics, both boys and girls played a large part in making the teams a success. We do not boastfully, but earnestly and truthfully say that our class has greatly aided in establishing a widely known reputation for Adena High in all phases of athletics.

Next year we wish to reach the summit of the hill of High School education. We will never cease to do our best for A. H. S. and thus we will be faithful to that worthy motto, "Give to the world the best that you have, and the best will come back to you." We wish to use our mistakes and hardships as stepping stones and in this way establish the highest honor for our class.

RAYMOND CRAWFORD, Class Historian.

Sophomore Class History

In the fall of 1926 a class of more than fifty members entered A. H. S. It has ever since been distinguished for its energy and enthusiasm, its class spirit and its famous athletes. Naturally it was young and green. But it did as other classes have done and will continue to do after it: outgrew its infancy.

The short period of two years has passed, only to give this Sophomore class of twenty-nine members an opportunity to grow, to advance and to attain. Gradually the number diminished, some leaving during the Freshmen year, others in the second year of their High School career. Some of their vacancies have been filled by new class mates, coming from other schools.

Now that their buds of greenness have burst forth and they have spent two years of earnest effort in unfolding these tender petals they are truly hoping to be "Jolly Juniors" in full bloom. We trust that none of this promising class will have fallen in their steady march toward SUCCESS and that they will give us cause in '31 to be proud of them.

INEZ GILLESPIE, Class Historian.

Freshman Class History

On September 8, 1919, twenty-five young and carefree sailors boarded the first ship of knowledge at the port of Adena, Ohio. We sailed on rough seas from September until May, when we landed not sailing again until the next September. At each stop we had a few new sailors board our vessel to take the places of others who had debarked. On each voyage we made, the seas became rougher but most of us braved the storms and did not desert the ship.

At last, after eight years of this work we were prepared for even harder work and rougher seas, so when we reached port in May, 1928, there were fifty who left the "Elementary Ship."

September, 1928 when we again met at port Adena we found that a few had decided to give up the sailor life and many from other ports—York, Harrisville and Ramsey—who were prepared to sail on "The Freshmen." While on this voyage some were terrified by the huge waves—Science, Algebra and Latin—and left the ship as soon as possible. We who are about to disembark, are now prepared to board the vessel "Sophomore" when it sails next September.

WILDA PHILLIPS, Class Historian.

Football Review

Adena 6

Flushing 19

Adena got off to a poor start when the fast Flushing eleven trimmed us on our field. Although handicapped by lack of practice, the boys put up a good fight only to be defeated by a 19-6 score.

Adena 6

Mt. Pleasant 6

The following week Adena and Mt. Pleasant met on a wet and muddy field and battled to a 6-6 tie. The game was devoid of thrills as both teams resorted to straight football.

Adena 0

Barnesville 7

Adena next met Barnesville with a squad of twelve men. Despite the fact that there were very few rooters for the team, Barnesville was held to seven points.

Adena 0

St. Johns 6

The St. Johns boys from Bellaire came to Adena expecting "fish on Friday," but after a hard game they considered themselves lucky to get a six point margin.

Adena 6

Tiltonville 26

We went to Tiltonville and in the first few minutes of playing they scored on a "fluke." The game was lost but the Adena boys fought to the final whistle.

Adena 0 (14 first downs)

St. Clairsville 0 (1 first down)

In the St. Clairsville game our line proved a "stonewall" and the opposing team did not gain more than ten yards through it. Adena travelled within scoring distance three times but lacked the punch to put it over. The game ended with a scoreless tie, but the boys were encouraged by the showing they made on the defense.

Adena 26

Cadiz 6

On Armistice Day, Cadiz traveled to Adena expecting an easy victory but we were too tough for them. The team worked together so well that we scored in the first quarter. Cadiz managed to get one touchdown but we came back with two more and the game ended 26-6 in Adena's favor.

Adena 12

Smithfield 0

After defeating Cadiz the Adena team continued in its stride by winning from Smithfield the following week. Long runs and passes featured the game but the Adenians were able to cross the goal only twice.

Adena 0

Dillonvale 7

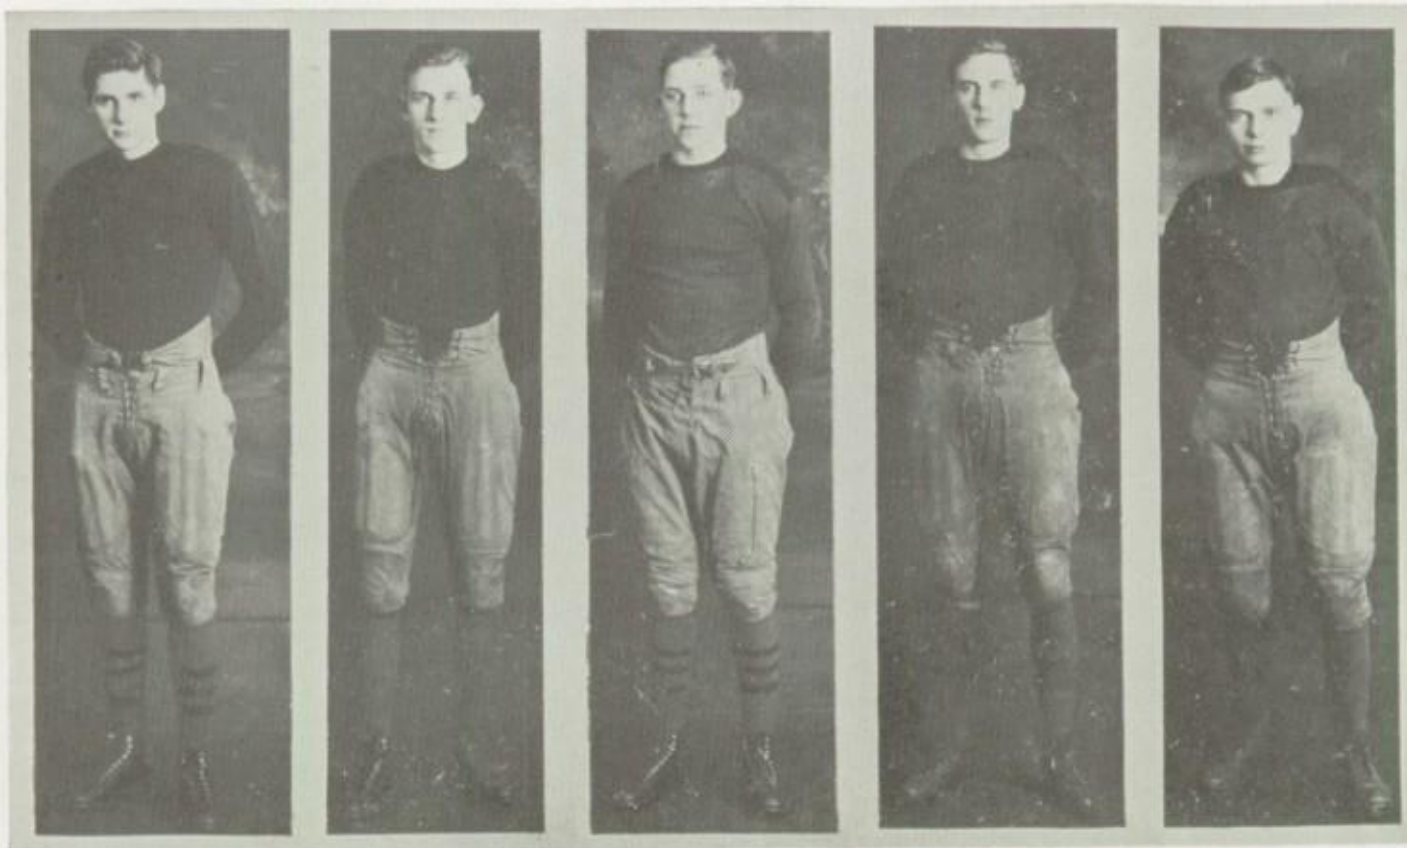

Thanksgiving afternoon found Adena and Dillonvale lined up for the kick-off on Dillon's field. The first quarter was all Adena but in the second the team lost its punch. When the boys came back for the last half it seemed all their determination had left them. Dillon scored right after the quarter started and although our boys fought desperately, they could not overcome that lead.

Football Squad

FOOTBALL SCHEDULE, 1928

Adena 6	Flushing 19
Adena 6	Mt. Pleasant 6
Adena 0	Barnesville 7
Adena 0	St. Johns 6
Adena 6	Tiltonville 26
Adena 0 (14 First Downs)	St. Clairsville 0 (1 First Down)
Adena 26	Cadiz 6
Adena 12	Smithfield 0
Adena 0	Dillonvale 7

LEWIS HARRISON

Quarterback

Lew was a good field general and ball carrier, as well as a valuable defensive man. With the greatest of pleasure he would tuck the leather under his arm and head for the middle of the line usually picking up a few needed yards. He was good enough broken field runner to gain through tackle and around the ends. Cap was the most experienced player on the team and we wish him the best of luck in college.

EDWARD DUDGIK

Tackle

Another green player who learned fast and became an iron man on the defense was Colonel. He found himself in the second half of the Tiltonville game when he stopped play after play through his side of the line. From then on he played remarkable football considering his experience. We regret that Colonel graduates this year for in time he would have made a name for himself as a lineman.

DAVID FOX

End

Dave was our manager but showed up so well in scrimmage one night that Chet put him on the team. Although he was green there were not many runs went around his end. When he tackled a man, that man knew he was tackled. Dave deserves credit for his showing his first year.

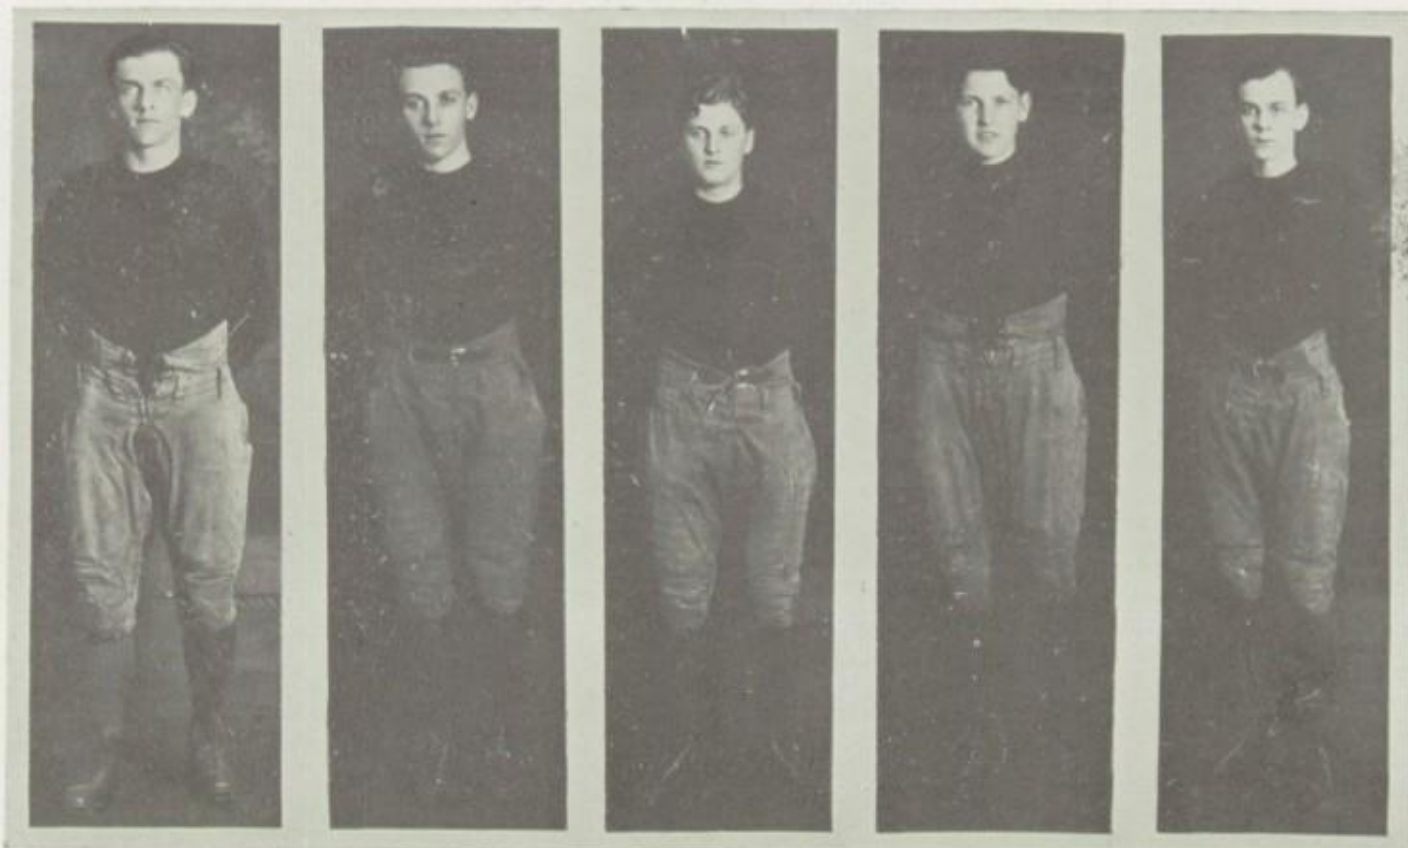

RAYMOND MULLEN

Raymond is a hard-hitting and hard tackling back who showed up well this past season. He is a good blocker and good defensive man. When called upon to carry the ball Ray always came through. He was better at hitting the line than running the ends. Mullen will be missed next year.

RUSSELL PENMAN

Halfback

Russ is the boy who won the admiration of opposing teams for his nerve and fight. He was a tricky back and often broke away for good gains through tackle. He was pretty light for blocking but he proved a good help in taking out the ends. Much will be expected from Russ next year.

HENRY BEDNARSKI

Center and Fullback

Henry is quiet and steady. He is always the same kind of a player and is dependable either on the line or in the back field, although he seems more at home on the line. He is a sure tackler, passer or receiver. Although handicapped by bruised hips he hits the line nicely.

ROBERT SOMERVILLE

Guard

Bob was an inexperienced player but showed up well during the end of the season. His long arms were useful in reaching over the line and grasping a player before he was well started. His defensive work was better than his offensive but in another year he should be a well balanced lineman.

JOHN HALL

Tackle

Johnny was active for his size and although green he played good enough football for a Freshman. One of his chief wants is aggressiveness. We'll expect to hear a lot more of Johnny next year and hope he isn't so good natured during the games.

LOUIS SIPOS

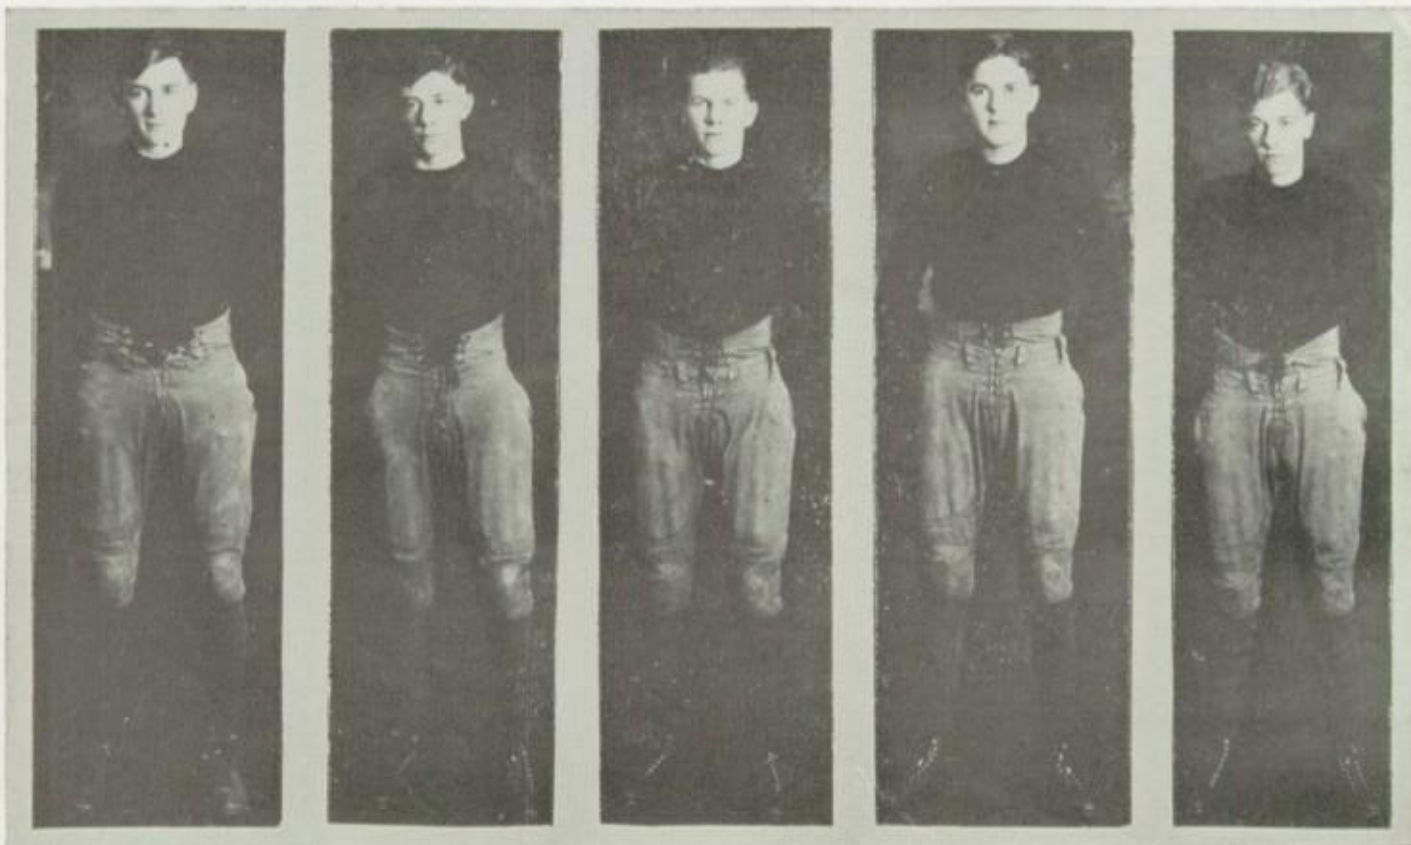

Tackle

Another Freshman who will hang on like a bull dog, but plays a silent watchful game. He started the season at guard and later shifted to tackle, where he seems more at home. He needs to lose some of his good humor during the games. "Silence Sipos" and "Johnny" can tear things up next year if they would become more blood thirsty.

ROLLIE WISHARD

Center

Rollie had hard luck and injuries kept him out for a good part of the season, but he showed up well in the early part of the year. His position was center and he played it like a veteran. Rollie received some hard knocks in the first few games but he never said "die," until he was down and out. He will go strong next year.

JOHN MORELAND

Halfback

Johnny is a sharpshooter when tossing the ball. He punts as well and usually better than any opponent, either with a wet or dry ball. Johnny is a good place kicker and runs ends off tackle or through the middle just the same. He is fighting defensive fullback and by his help to the line, keeps 'em scrapping. Johnny is the probable 1929 quarterback.

FRANK HARGRAVE

Tackle and Guard

Frank was not quite so rough as a boy his size should be. But he can play good football when he takes a notion and next year more will be expected of him. Frank was a hard tackler and blocker and may develop into a good end. Those long arms ought to snag many passes and smear opposing plays and players.

ALEC TRUSCALOSKI

Guard

This was Alec's second year on the varsity and he was one of the main cogs in the line. He played, like Vic, down low and let nothing go through him. The only way to gain through the center of our line was over the top. Alec fought and held like a bull dog on the goal line and many times made tackles behind the line of scrimmage.

JAMES MOSCRIP

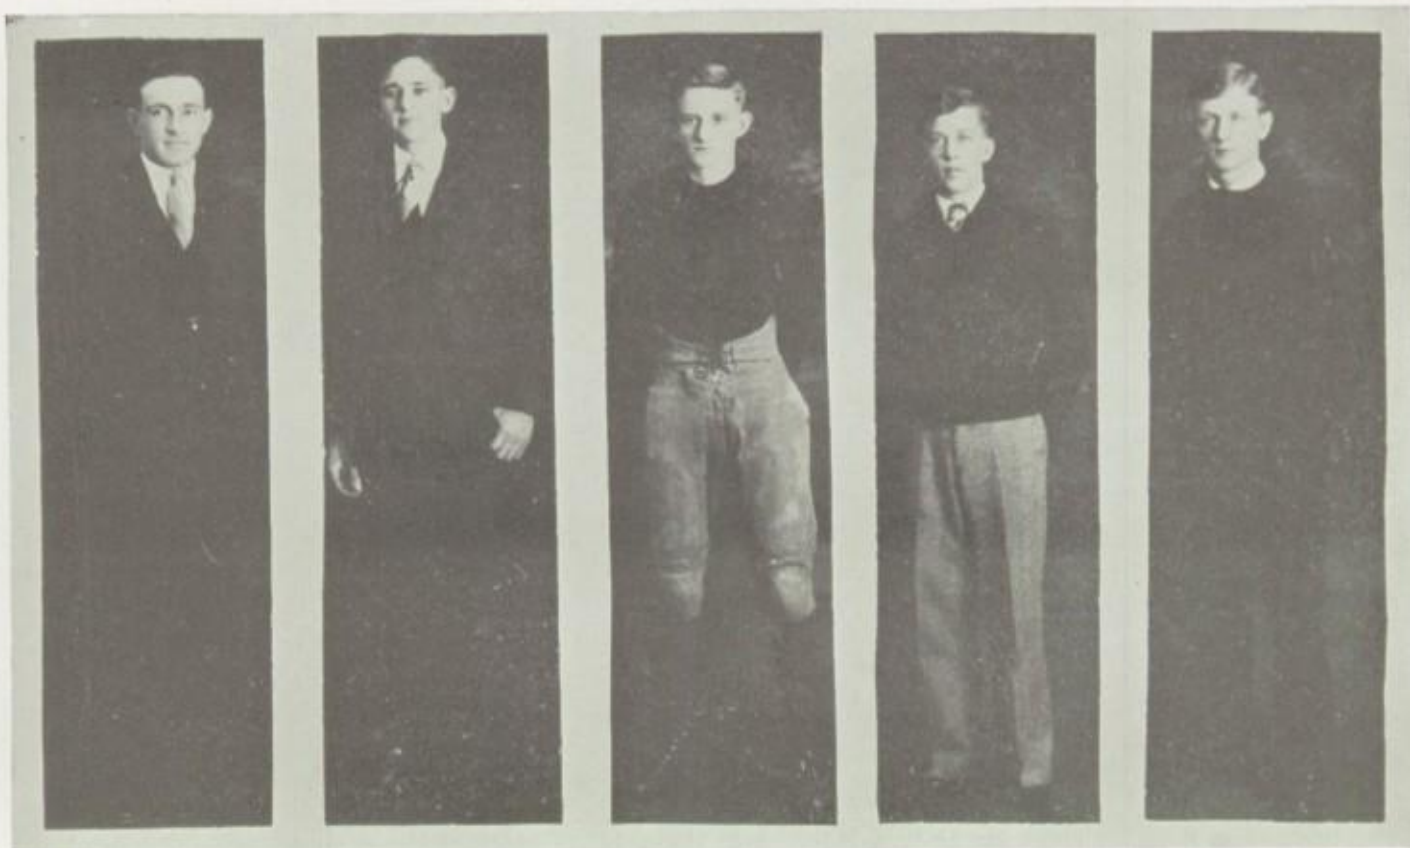

Tackle

Jim held down the wing position this year and did it admirably. He is not very heavy but he stopped anything that came his way. He was good at snagging passes for lengthy gains. Jim will be a valuable man to next year's team.

VICTOR RUCKER

Guard

Vic was out during a part of the season, but when he came back he surely made it hot for his opponents. He played at end in the first game but soon found his position at guard. With more experience he will make one of the best linemen in history.

Coach Hannahs

This was Coach Hannahs first year at Adena and it proved a very successful one. He not only led the football team through a fair season but turned out one of the best basketball teams in the history of the school. "Chet" was great for clean sports and discouraged rough talk among the boys on and off the field. He taught his squad to play the game for the love of playing it and stood for no nonsense on the part of an individual. We admire him not only as a coach but as a man. The Seniors wish him the best of luck next year.

Manager Crawford

Ray was the handy man about the place this year. He was faithful to every player's need during football but in basketball season he developed a habit of not being around when the players wanted him. Nevertheless he did a lot of hard work and made a very good manager. He fully deserves the letter awarded for his services.

LLEWELLYN BEYNON

Halfback

Give Pean an open field and watch him run away from his opponents. He was the fastest man on the team and naturally made a good safety man. He was a good pass receiver and also a fair blocker. What he lacked in weight he made up in speed and nerve.

Manager Walker

Here is a boy who believes that business is business but is just as much fun as the next one. Barney filled out all schedules and signed all contracts as well as taking charge of all athletic funds. He handled the money in such a way that we not only payed off our debt but made money the same year. He deserves a great deal of credit.

Manager Shields

"Beardo" was our trainer and manager combined. He was indirectly responsible for our victories by keeping the boys in the best of condition and good humor. It was largely through his efforts that we were able to pay off our debt by keeping the equipment in tip top shape. We are proud of Manager "Beardo."

Basketball Review

As we look back over our basketball record and note that we won twenty-four out of twenty-six games played, we know that it was the most successful basketball season in the history of Adena High. Unfortunately the first game was lost to Smithfield and the last tourney game to Belle Valley.

On February 22, the team went to Steubenville and there met Knoxville in the first round of the Jefferson County tournament. The boys played their best basketball and after playing four games won the county tournament. Then on to Dover where they met New Athens for the third time during the season and for the third time defeated them. Two games were played at Dover and the following week after journeying to Dennison the team was defeated by Belle Valley, not a better team but by this time the Adena boys were so tired and worn out that we cannot wonder they lost.

By winning the County Tournament the third time, the silver loving cup became the permanent possession of Adena High School. The Steubenville Chamber of Commerce presented the county champions with a silver basketball trophy. Besides these, Adena was also awarded the championship cup of the Eastern Ohio Athletic League, having won all twelve games played in the League.

Boys Basketball Schedule

Adena	14	Smithfield	17
Adena	24	Dillonvale	8
Adena	35	St. Clairsville	21
Adena	23	Ex High	12

DISTRICT TOURNAMENT

Adena	27	Belle Valley	36
-------	----	--------------	----

TOTAL POINTS

Adena	717	Opponents	385
-------	-----	-----------	-----

Llewellyn Beynon—Forward

Peon was about the cleverest man on the team and used his ability to good advantage. He was light but his speed and fight over-balanced his weight. Of course he had his off days but on the average, he played good ball. His favorite shot was from the middle of the floor and he made many of them. He will be missed by next year's team.

Lewis Harrison—Forward

Lew was a cool headed player and was high scorer for the team. He was fast at breaking for the basket, taking a shot or passing to a team mate. Lew was an accurate dribbler and passer as well as a good team player. He acted as floor leader in most of the games and will be missed next year.

Victor Rucker—Center

Not an outstanding player but steady and dependable. The boys liked to have him in the line-up and there was always something lacking when he was out. Vic was good in blocking passes into the center and in breaking up dribbles. Another year will show improvement in Rucker's playing.

Jonathon Moreland—Guard

Here is one of the fastest men on the basket ball floor. His offensive work made him very valuable to the team. Johnny was especially good at dribbling and passing besides ranking high in scoring. He has two more years and will probably become one of the greatest players ever turned out by Adena.

James Moscrip—Guard

Jim was the best guard we had under the basket. His long arms often blocked a would-be shot and knocked down many a dribble. Jim was a better defensive man than he was offensive but he fitted in well with team play. He worked with Moreland to make up one of the best pairs of guards in this section.

Russell Penman—Guard or Forward

Russ is a fast and clever player who works in team play very nicely. Because of his size he is handicapped for defense but his scrap makes him an effective and valuable player to any squad. He is a fair shot but gets nervous under the basket. Russ has one more year to play and two forward berths will be opened by graduation.

David Fox—Guard

Dave is a Senior and played his first year of basketball. When under the basket and unable to pass out or dribble he would wrap those long arms around the ball and there jump ball. Although not much of a shot he fed the others. Dave rather liked rough going.

Frank Hargrave—Center

Here is a tall, lanky boy not so speedy but very steady. Frank gave Rucker a battle for center. He worked well in the first line defense being extremely hard to shoot over or draw out of position. Rather slow in shooting but he made an average number of shots. We shall expect much from Frank next year.

Alec Truscaloski—Center and Forward

Alec, a good sized boy, not noted for speed but for dependability and a good method. He always played the same game regardless of the score. Alec doesn't dribble much but passes a great deal. Like some others on the squad he hated to shoot for fear of missing. Everybody misses.

Joe Black—Forward

"Hobby" was always ready to step in and do his bit. He was kept in the reserves mostly but was used enough to gain valuable experience for next season. "Hobby" is a Freshman who won a varsity letter and deserves much credit. A gain in weight and height this summer would aid him greatly.

Girls Basketball Group

Schedule

Genevieve Lewis—Forward

"Babe" was a clever forward and it took a good guard to guard her. She was high scorer for the team and was feared by her opponents. Unluckily she was declared ineligible in the latter part of the season and was greatly missed by her team mates.

Sara Bleakmore—Forward

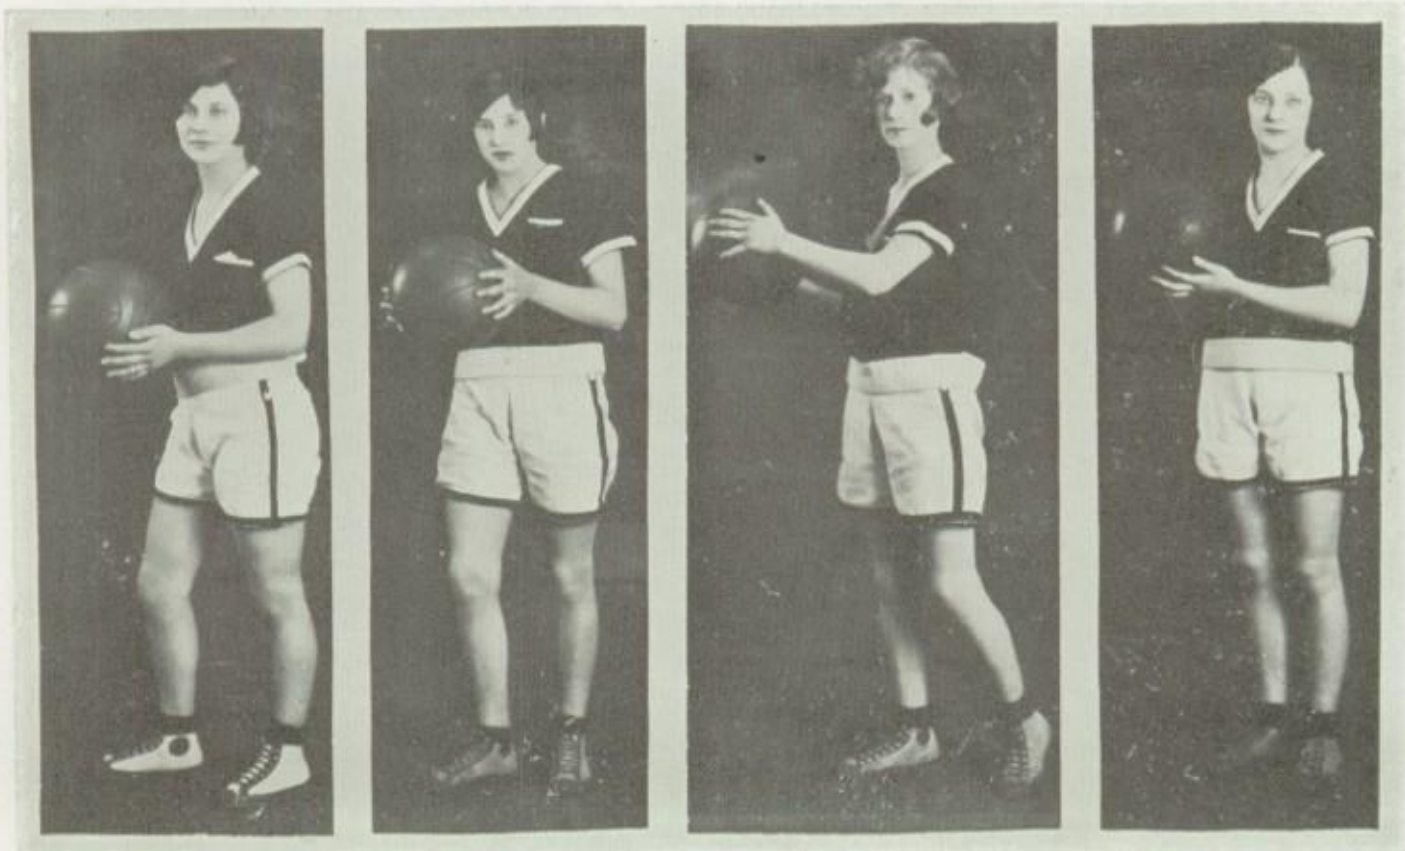

Sara is another Freshie who made good this year. She did not play as a regular but was in enough games to gain valuable experience. Sara is a good shot as well as a good floor player. No doubt she will star next year.

Sara Moscrip—Forward

Here is the peppiest and hardest fighter on the team. She was largely instrumental in working the ball under the basket for a shot. After the loss of Babe, Sally became the mainstay of the team and collected a majority of the team's points.

Nancy Shearer—Forward

Although not a regular, Nancy fitted in well with the first team. She was a good passer and a fair shot and could be expected to do her share toward winning a game. She was great for team play and seldom shot unless she was open. This was Nancy's last year with Adena.

Mary Krecilla—Guard

Mary was noted for her ability to "dog" her forward. It took a very clever forward to get away from her and there were very few who could do so. This was her first and last year with Adena and proved a very valuable one. The team will miss her next season.

Kathryn Heath—Guard or Forward

Small but mighty was Katie. She always did her best when sent in a game. If her opponents thought they had something easy they soon changed their minds. Katie will be a valuable player to next year's team.

Viola Moreland—Guard

Viola was tall and very hard to shoot over. She is only a Freshman but played a dependable game for her first year. Viola liked to rough it up and the harder they came the harder they fell. She should be even better next year.

Alameda Wonnacott—Guard

Alameda could always be depended upon to give her best. That best was usually good enough to hold her forward to few baskets. She was a good passer and worked well in team play. We may expect to hear more of Alameda next year.

Anna Sawko—Guard

Anna came from Short Creek with little experience but showed up well at practice. It took a good forward to get away from her long enough to score. We regret that Anna leaves us this year for she would have developed into a real guard in another year.

Bernice Buchanan—Center

Bernice had the build for center and played the position well. Of course she was inexperienced but in another year, should show much improvement. She never took time to shoot and thus didn't make a large percentage of her shots. But watch her smoke next year.

Vera Sloan—Guard

Vera was a scrappy little player. This was her first year and she was green but learned fast and earned her letter. She loves to play the game and in another year will be on the first team. Vera is a good passer and defensive guard.

Manager Sloan

The girls had to shift for themselves until this year when Anna Mae shouldered the burden and proved herself a desirable and necessary quantity. She was always on deck when needed and kept the girls newly acquired dressing room "locked up," making certain that all equipment was in safe keeping. She will be missed next year.

Adena High Baseball

Baseball did not prove so successful as other athletics but it maintained its position in Adena High. The first three games which were scheduled with Bridgeport, Jewett and St. Clairsville were postponed due to rainy weather. However after being defeated by Martins Ferry 6-0, the team came around to two successive victories from Tiltonville (5-2) and St. Clairsville (9-6.) The rest of the schedule follows:

May 21—Bridgeport.
May 24—Bridgeport.
May 27—St. Clairsville.

Hall of Fame

FOOTBALL

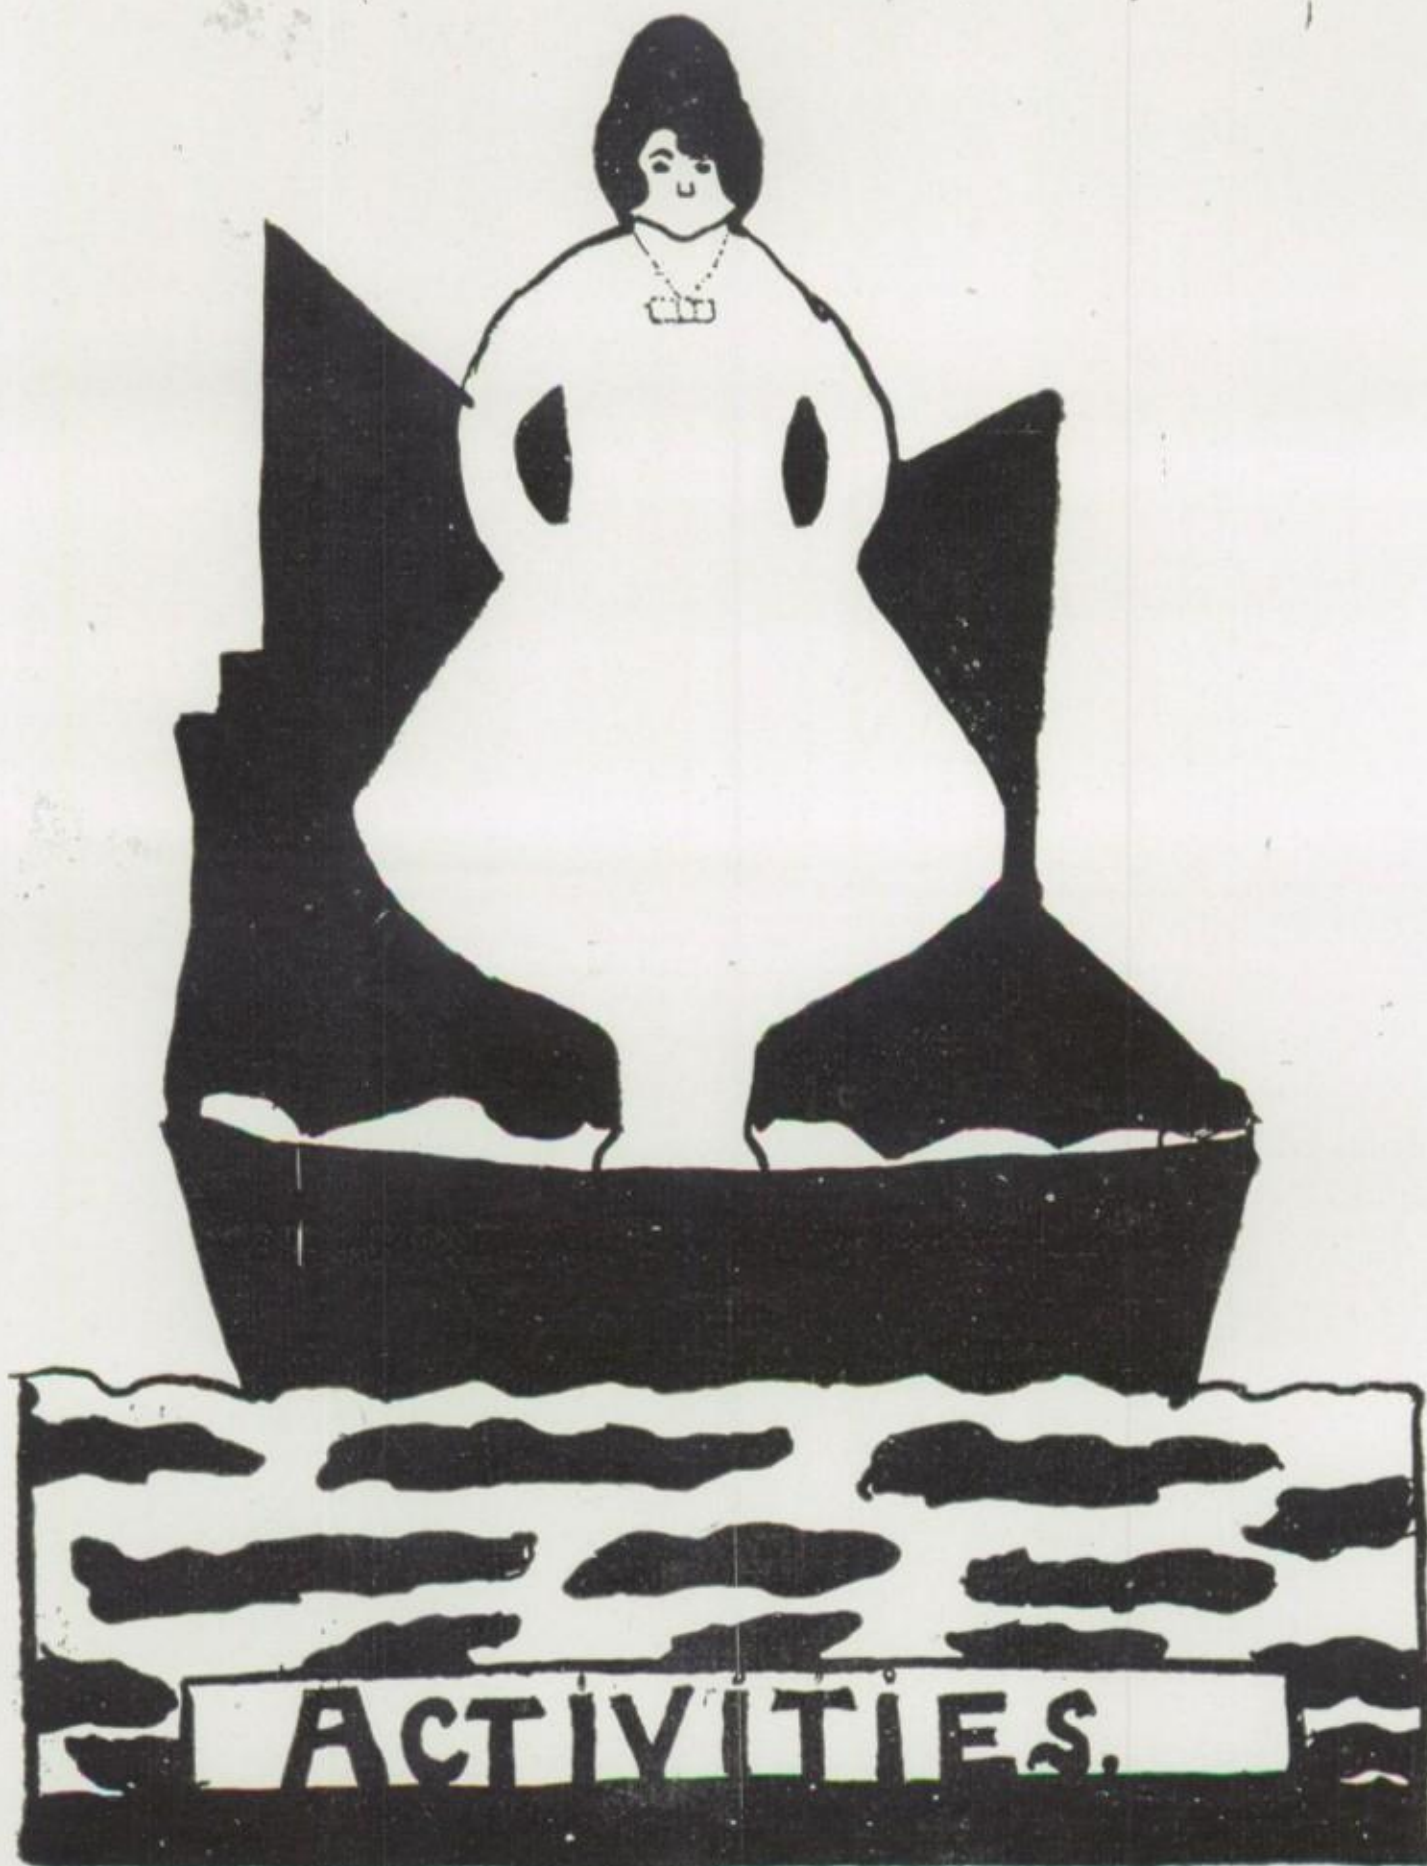

Henry Bednarski—All district squad, half.
Frank Hargrave—All district squad, guard.

BASKETBALL

Lewis Harrison—All county forward; all district forward (Dennison); E. O. A. L. Honor Roll forward.
John Moreland—All County guard and Captain; all Valley guard and Captain (Second Team); E. O. A. L. Honor Roll guard.
Llewellyn Beynon—All county forward (Second Team); E. O. A. L. Honorable mention.
James Moscrip—All county guard; (Honorable Mention); E. O. A. L. Honorable Mention.
Frank Hargrave—All county center (Honorable mention.)
Victor Rucker—E. O. A. L. Center; (Honorable mention.)

SCHOLARSHIP

Nancy Lee Shearer	American History
Henrietta Hobson	American History
Imogene Singer	American Literature
Emerson Baldwin	Biology
Nellie Wright	American Government (Second place.)

Ninety Club

The Honorary Society, "Ninety Club" was begun this year as a county organization and the Adena chapter was formed at the beginning of the second semester. Members were announced at chapel and presented with the club pins. A banquet was held in the spring for the faculty and club members.

 Inez Gillespie (Sophomore)
 Catherine Henry (Sophomore)
 Martha McFarland (Sophomore)
 Joseph Robb (Sophomore)

PEP CLUB

This is the first year for the Pep Club in Adena High School. Because of students' lack of interest in school activities the Solid Geometry class, under direction of Principal Shields, sought to solve the problem somewhat according to Geometric rules. They established a committee consisting of themselves and elected Nancy Lee Shearer for chairman. They elected five more members and set about making plans for pep meetings and other stunts to create enthusiasm. They succeeded wonderfully—in fact so well—that in the latter part of the year there were so many activities that there was scarcely any time for school.

Girls' Glee Club

The Girls' Glee Club under the direction of Miss Louise Lorentz has accomplished much during the past year. Combined with the Boys' Glee Club the club presented an operetta, "The Gypsy Rover."

The Club organized at the beginning of the school year and practices were held every Tuesday afternoon.

Boys' Glee Club

The Boys' Glee Club has become an organized factor in A. H. S. This is the second year under the direction of Miss Lorentz and the boys have done splendid work. There are several very talented young men in this organization and we'll expect to hear more of them in their future work.

Practices were held every Monday evening and on these occasions strains of beautiful, harmonious music could be heard coming from the music room. We hope the club will continue to grow and improve as it has during the past two years.

ORCHESTRA

The High School Orchestra, which has always been an important feature of our chapel program and school entertainments for the past eight years, kept up its good work this year. Although smaller than ever before, quality was not lacking. Under the able direction of Mr. Volpe the orchestra progressed greatly and we hope to have several new members next year.

The Adenian Paper Staff

The High School paper, "The Adenian" was published throughout the year, completing its second year of existence with the May issue. Of course it is still rather amateurish but it is hoped that it will continue to grow and improve in future years.

ORATORICAL CONTEST

The Public Speaking Class under the direction of Mr. Hanson presented a program in the form of an Oratorical Contest on Wednesday evening, May 8. The orations were rated by three judges and the grades were taken as the final examination grade in the course. First prize was won by Frederick Naylor who orated on "Organized Crime" and second place by Lewis Harrison, having for his subject "The Revolt of Modern Youth." The other orations were given by:

"Junior College".....Anna Mae Sloan
 "Aviation".....Mary Virginia Tyrell
 "Disarmament".....Edward Dudgik
 "Modern Religion".....Henrietta Hobson
 "Movies".....Genevieve Lewis
 "Modern Advertising".....Raymond Mullen

Football Banquet

On December 11, the annual banquet for the football squad was given by the Mothers Club at the M. E. Church. At seven o'clock the football squad and the guests proceeded to the dining room which was decorated with the High School colors. Following the dinner Principal C. B. Shields acted as toastmaster and the following program was carried out:

"Good Sportsmanship"..... Coach Hannahs

"Play the Game Fair"..... Dr. E. D. Kackley

"A Toast to the Mothers"..... R. B. Harrison

Speeches were also given by the Senior members of the squad and by Mr. Mullen, Mr. Walker and Mr. Roshon.

Hobo Party

On December 11, while the football squad was having their banquet at the M. E. Church, the High School girls had a Hobo Party in the High School Auditorium. The girls went in couples dressed as many different types of persons, mostly as "toughs" and "hoboes."

The evening was spent in playing games and dancing. Refreshments were plentiful, consisting of sandwiches, pickles, peanuts, mints and ice cream suckers. The chaperons were Misses Georgia McCaskey and Nancy Thompson.

High School Party

A contest which was held for the sale of Lyceum tickets resulted in a party given by the Freshman room A and the Sophomores on January 26. These two groups lost in the sale of tickets and were obliged to entertain the other classes of the High School. This they did and an enjoyable time was had by all. The evening was spent in stunts and games, terminating with a delicious lunch being served by the hosts.

Lyceum Review

On November 16, a Lyceum Review was presented under the direction of the Senior Class. The entertainment was designed to give an idea of the various numbers to be seen and heard during the year. The program was as follows:

Manhattan Marionettes: Mary Marty, Luella Kugler, Irene Horanzo and Mary Virginia Tyrell.

Filipino Quartet: Raymond Mullen, Llewellyn Beynon, Rollie Wishard and John Hall.

Ned Woodman, Cartoonist: Rollie Wishard.

Henri Boyd Concert Trio: Lewis Harrison, Nancy Shearer and Lois Beveridge.

Sam Grathwell, Lecturer: Robert Walker.

Alumni Banquet

The Alumni Banquet was held in the dining room of the Methodist Church on December 28. A delicious dinner was served followed by a short program as follows:

Toastmistress.....Marguerite Ickis
Welcome to the Seniors.....Lewis Harrison
Extemporaneous Speeches—William Murdock, John Mullen, Margaret Smith, Howard Rothfuss.
Election of Officers—President, Secretary, Treasurer.

Following the program everyone hastened to the High School Gym where the remainder of the evening was spent in dancing and card playing.

Junior-Senior Banquet

The annual Junior-Senior Banquet was held Friday evening, May 10, in the dining room of the Methodist Church. The decorations consisted of the colors of both classes. Following a delicious dinner, a program of toasts was given with Raymond Crawford acting as toastmaster. The program was:

Welcome.....Raymond Crawford
Response.....Raymond Mullen
Class Prophecy.....Nellie Wright
Solo.....Lois Beveridge
Class Will.....Clyda Mercer
Farewell.....Sara Moscrip

School songs and cheers completed this part of the affair. At nine o'clock, everyone went to the H. S. Auditorium where a general good time was enjoyed by all.

"Ninety Club" Banquet

The initial annual banquet of the honorary society, "Ninety Club," was held on Thursday evening, April 17, at the home of Nancy Shearer. Following a delicious three course dinner the initiation of Sophomore members took place. They were taken through three degrees at the completion of which each received a club pin presented by the president, Anna Mae Sloan. The remainder of the evening was spent playing cards.

Calendar of Events

SEPTEMBER

- 4—School opens; Freshmen go insane trying to register.
- 5—Assembly Rules and more rules!
- 6—Real classes; stiff lessons? Oh, no!

Jokes

EARLIER MODEL

One day William McFarland and Donald Toland were visiting a large zoo. When they came to a very large animal, a passerby heard William say to Donald. "Look at that rhinoscerous." Donald explained that it was no rhinoscerous but a hippopotamus, when asked by William why he thought so, he replied: "Can't you see it ain't got no radiator cap."

PATIENCE INDEED

Miss Smith was trying to teach Chester Wells to read with expression.

"Where—are—you—going?" read Chester laboriously and with no accent whatever.

"Try that again," said Miss Smith, "as if you were talking and notice the mark at the end of the sentence."

Chester studied the interrogation mark for a moment and then an idea seemed to dawn upon him, and then he read triumphantly, "Where are you going little button hook?"

Lewis Harrison: "What kind of cigars do you smoke?"

Ellis Smith: "Me, why I smoke Robinson Crusoe's."

Lewis Harrison: "What kind of cigars are those?"

Ellis Smith: "Castaways, dumb-bell, castaways."

Imogene Singer: "Why do they always put D. C. after Washington?"

Nellie Wright: "What good has your schooling done you if you don't know that. D. C. means that Washington was the Daddy of his Country."

Mr. Shields: "Have you ever seen one of those instruments that can detect a lie?"

Mr. Roshon: "Yes, I married one."

John Moreland: I lost my dog, what am I going to do?"

James Moscrip: "Why don't you advertise for him?"

John Moreland: "Simple, my dog can't read."

Barber: Any particular way you want your hair cut?"

Freshman: Yes, I want it cut off.

Mr. Shields: "I look forward every Sunday to the after dinner naps."

Mr. Hannahs: "I thought you never slept after dinner?"

Mr. Shields: "I don't but my wife does."

A man becomes sophisticated when he is able to refrain from expressing his valuable opinions when someone starts talking about women.

"And where do you wish to be vaccinated?" the doctor asked the flapper.

"Oh, it doesn't really matter," she replied, "it's bound to show anyway."

"The way to a man's heart is through his stomach," says the surgeon.

Jokes

WHAT'S WRONG HERE

Mr. Hannahs: "What law prohibits adulteration?"

Mary Marty: "I am not sure, but I think it's one of the ten commandments."

WASTED ENERGY

Mr. Hanson in Physics class: "David, can you give me an example of wasted energy?"

David Fox: "Yes, telling a hair-raising story to a bald-headed man."

PRESENCE OF MIND

Mrs. Hanson: "We have been married for many years."

Mr. Hanson: (With a sigh) "Yes for all these years we have fought."

Mrs. Hanson: (Scowling) "What?"

Mr. Hanson: (quickly) "Life's battles together, my dear."

"What are your future hopes?" inquired the salesman.

"I have none, Sir," John Hall replied. "Tomorrow is my girl's birthday and I'm worrying about the present."

Clyda Mercer: "What is in your head?"

Mabel P.: "Lots."

Clyda Mercer: "Gee, they must be vacant."

What Pandora's Box would contain today:

A lipstick; an eyebrow pencil; some mascara; a box of rouge; two mash notes; three nickels; four pennies; mechanical pencil; wad of chewing gum; a risque joke clipped from a magazine; some spilled powder; a dance program; fraternity pin; broken garter.

LOST—My breath while coming to school fifteen minutes late. Finder please return to Donald Wells.

Alameda, while kneeling by her bedside praying said: "Dear Lord, I ask nothing for myself, but just give my mother a son-in-law."

COULD YOU IMAGINE

Everyone getting A in Algebra.
Henrietta Hobson not reciting to the tune of "Yankee Doodle."

Anna Mae riding a horse.

Clarence Anthony studying.

Nancy not talking.

Virgie toe dancing.

Fred Naylor with his hair mussed up.

Fred Packer not talking about his dates.

Georgia Crawford growing up.

Edward Dudgik having a date.

Lewis Harrison not grumbling.

Sara Moscrip not in mischief.

He slipped on the peel of the wedding bell.

Jokes

Norean Maud: "Women always contradict each other."

Barbara Symons: "They do not."

A Freshman was found wearing his stockings wrong-side out, because they had a hole in the other side.

Fred Packer (in Geometry class): "Yes, Mr. Shields, I think I will be able to work that proposition if you tell me how."

Irene: "I don't know whether to become a cartoonist or a poet."

Mary Krecella: "Oh, become a poet by all means."

Irene: "Have you read any of my poems?"

Mary: "No, but I have seen your cartoons."

The Virgil class had been translating an account on the "Fall of Troy," in which the Greeks had used a battering ram.

Miss McCaskey: "Now, what is a battering ram?"

Nellie Wright: "Oh, I know, it's some kind of a goat."

Mr. Hannahs: "Vera, what is osmosis?"

Vera Sloan: "Osmosis is a fertile place in a desert."

When one of the Seniors told Georgia Crawford that Santa Claus had died, she at once decided to commit suicide.

Mr. Shields: "What is overhead expense?"

Anna Sawko: "The cost of a hat."

John and Lois were boarding the steamer to sail to Europe. All of a sudden John noticed a huge bull dog staring at him and John immediately started to run, and Lois called him and said, "Why John, I thought you said you would face death for me." And John hastily replied: "Yes, but I didn't say I would face a bull dog."

Robert S: "What did you get for singing in the Glee Club?"

Russel P: "I got applause. What did you get?"

Robert S: "I got thrown out."

Mr. Mercer: "That fellow you had last night would make a good animal for the Zoo."

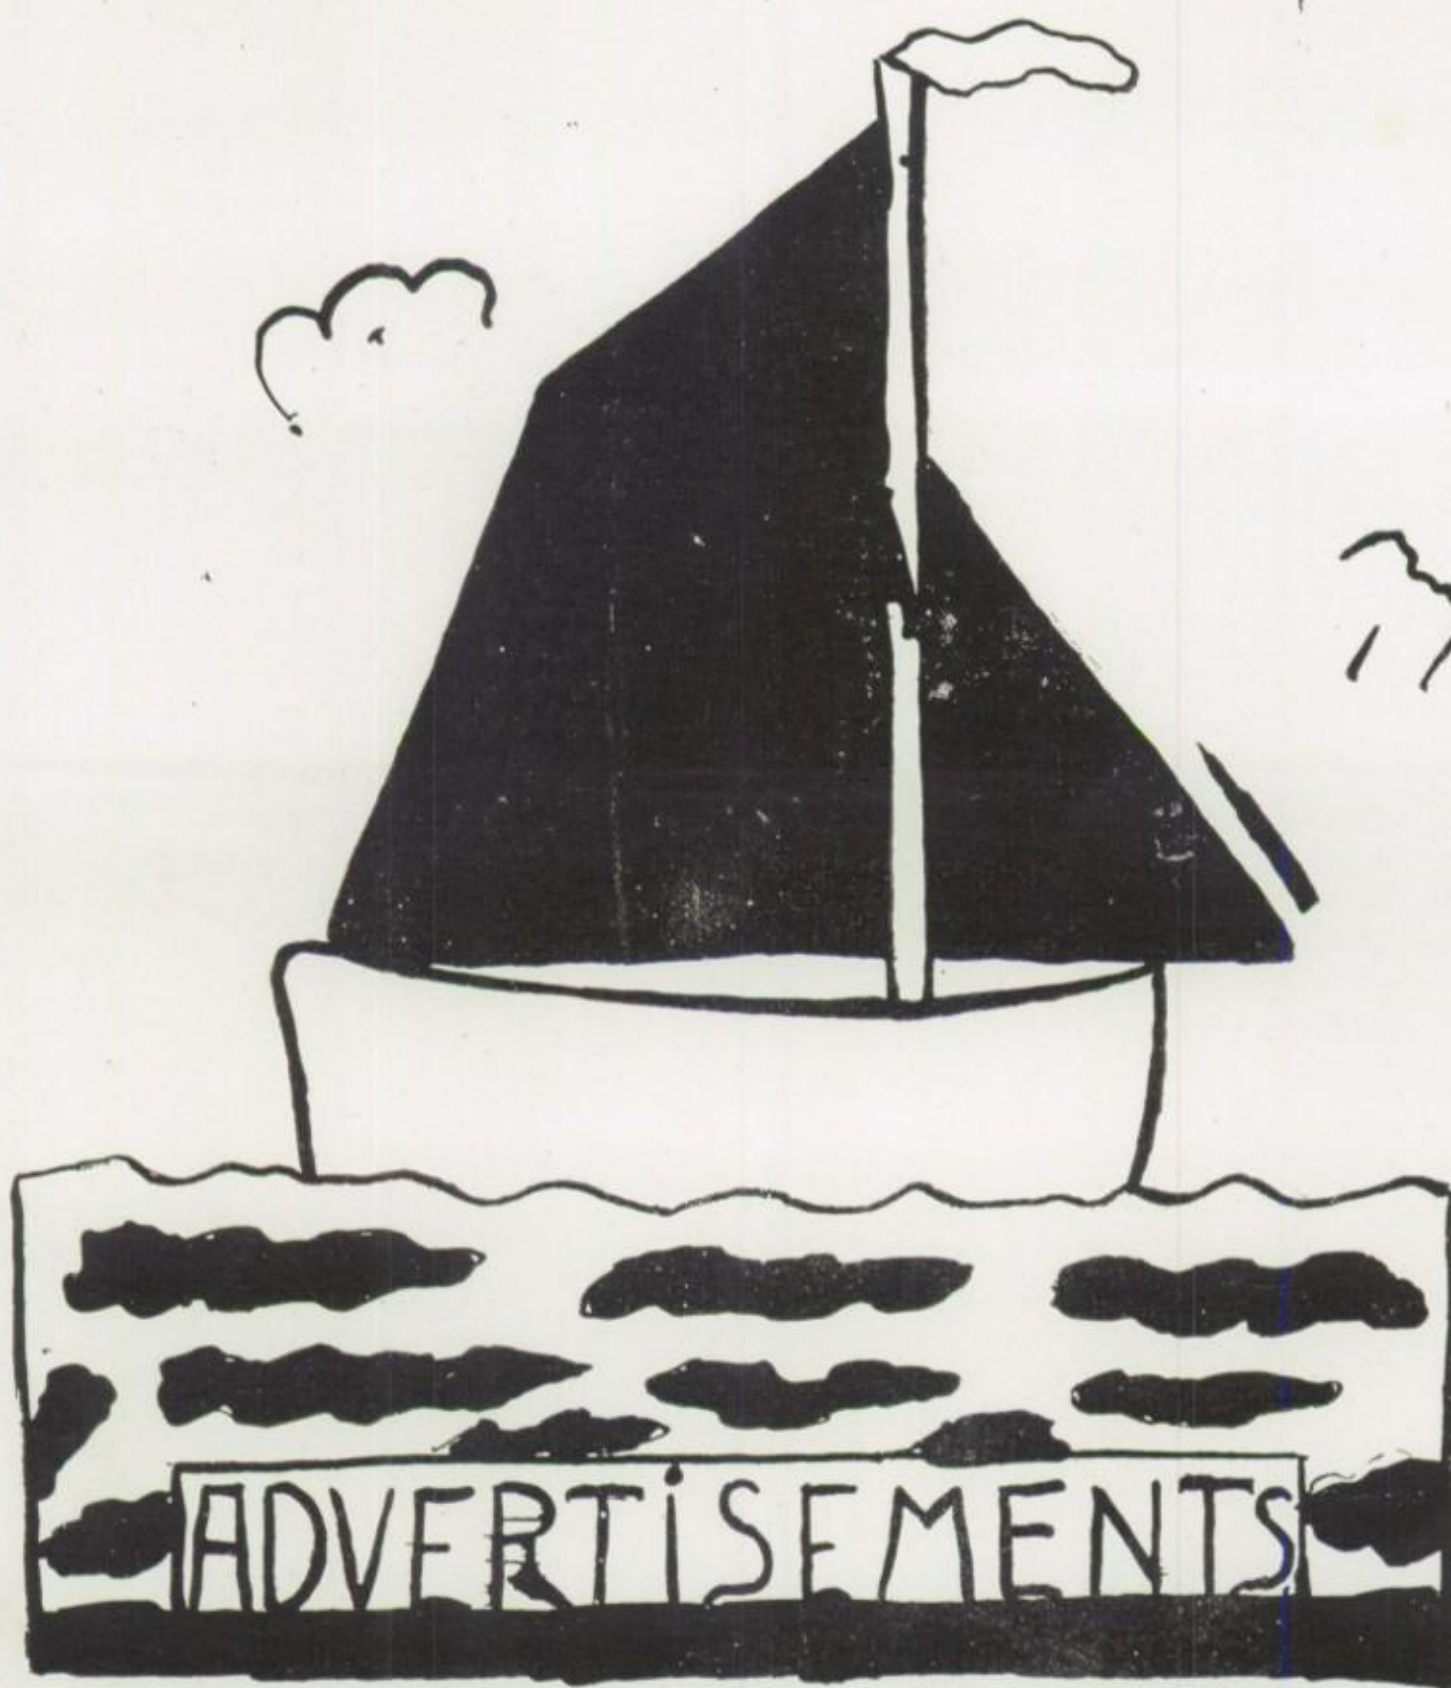

Clyda: "Why father, what do you mean?"

Mr. Mercer: "When I walked through the hall last night I saw that he had two heads on his shoulder."

Miss Smith: "I will give you a zero in that English examination."

Kathryn Heath: "That means nothing to me."

When one shaft splits another

NO succeed once may be a matter of luck. But when one distinctive and successful Annual "by Canton" is followed immediately by another—and another until they represent a continuous record of achievement, then it must mean "good marksmanship." Details of the successful Canton plan will gladly be given without obligation to any Annual editor, or manager, who is interested. ○○○○○○
